STEPS TO WIN

KIMPUR

Sports Shoe Sole Systems

KIMfoot® SPORTS SHOE SOLE SYSTEMS

The comfort and lightness of sports shoes can have the power that will have an impact on your entire performance.

KIMfoot sports shoe sole systems that increase the shoe comfort are three-component, low-density, polyester-based systems, which makes a difference with their advantages.

- High Flex Resistance
- Very Low Density
- Shiny Skin Appearance
- Weight Advantage
- Short Demoulding Times
- High Flowability

KIMfoot Sports Shoe Sole Systems	Recommended Density (kg/m ³)	Hardness (ShA)	Flexural Strength (-14°C)	Elongation (%)	Compression Set (%)	Tear Resistance (N/mm)
KIMfoot AA 09000 + Crosskim AA 39900-B + İzokim AA 034	380-420	47±5	>30000	>300	>35	>22
KIMfoot AA 09000 + Crosskim AA 43000 + İzokim AA 039	340-380	53±5	>30000	>300	>35	>22
KIMfoot AA 09000 + Crosskim AA 43100 + İzokim AA 039	340-380	47±5	>30000	>300	>35	>22

Measured values were obtained from tests made on samples prepared under laboratory conditions.

Ultra Low Density

High Weight Advantage

For the selection of the most suitable systems for your products and processes, more detailed information about the products and TDS, MSDS documents, please contact our sales office.

TÜRKİYE'S LARGEST POLYURETHANE SYSTEM HOUSE

Kimpur is the polyurethane system house with the largest capacity in the region, with a production capacity exceeding 200,000 tons. LEGAL INFORMATION

At Kimpur, we strive to provide you with the highest quality polyurethane systems, backed by our expertise and dedication to innovation. The information provided in this brochure is a reflection of our expertise and knowledge. However, we highly recommend for users to conduct their own thorough assessments and tests to ensure the suitability and optimal performance of our products for their intended applications. While we strive to provide accurate and reliable information, Kimpur does not assume any liability or offer any warranty, whether expressed or implied, regarding the properties, performance, or fitness for a particular purpose of our products. Descriptions, specifications, and other details provided herein are subject to change without prior notice and should not be considered as binding contractual guarantees. As the recipient of our products, our customers assume full responsibility for compliance with all applicable laws, regulations, and intellectual property rights. We highly recommend obtaining comprehensive information on product toxicity, adhering to proper handling procedures, and ensuring compliance with safety and environmental standards. At Kimpur, we value our partnership with you and strive to provide exceptional support. However, it is important to emphasize that the application, use, and processing of our products are ultimately the sole responsibility of the user. Please note that the safety data provided in this brochure is for informational purposes only and does not constitute a legally binding Material Safety Data Sheet (MSDS). To obtain the relevant MSDS, kindly request it from your supplier or contact us directly at uncommonsolutions@kimpur.com. Our team is ready to assist you with any inquiries or specific safety information you may need.
