Boots Systems

KIMfoot® Boots Systems

Polyurethane boots, which can be used not only in daily life, but also in harsh working environments, are frequently preferred since they offer the advantage of long-lasting use thanks to flexibility, high comfort and durability.

Kimpur has developed the double density polyurethane-based **KIMfoot** Boots Systems, which provide a comfortable wearing experience thanks to their flexibility in compliance with **EN ISO 20345 standards**.

USAGE AREAS

- | | |
|---------------------------|-------------------------|
| Construction Industry | Sewage |
| Casting Industry | Cold Storages |
| Metal Industry | Pharmaceutical Industry |
| Petrochemical Industry | Health Sector |
| Mining | Food Industry |
| Agriculture and Livestock | General Purpose |
| Hunting and Fishing | |

KIMfoot BOOTS SYSTEMS			SYSTEM FEATURES	MOLDED DENSITY (kg/m³)	HARDNESS (ShA)
KIMfoot AA 09200	Crosskim AA 45300	Izokim AA 024	DOUBLE DENSITY, ANTI STATIC, SOLE	650-750	50±5
KIMfoot AA 09200	Crosskim AA 45400	Izokim AA 024	DOUBLE DENSITY, ANTI STATIC, LEG	650-750	35±5

ADVANTAGES

- Superior durability in harsh weather conditions
- Easily cleaned and dirtproof thanks to dense skin structure
- Flexible at low temperatures and also suitable for use in summer (no breaking or cracking at -30°C / -22 °F)
- Superior protection against hydrocarbons, oils and fuel derivatives
- Lightness due to low sole and leg density
- Silky touch
- Energy absorption in the heel area
- Antistatic
- Anti-slip properties (SRA/SRB/SRC)
- High flex and corrosion resistance

For the selection of the most suitable systems for your products and processes, more detailed information about the products and TDS, MSDS documents, please contact our Sales Office.

TÜRKİYE'S LARGEST POLYURETHANE SYSTEM HOUSE

Kimpur is the polyurethane system house with the largest capacity in the region, with a production capacity exceeding 200,000 tons. It leads the sector by exporting to more than 50 countries on 5 continents. Polyurethane systems produced; It is used in different sectors such as shoes, automotive, furniture, heating and cooling, insulation-construction and defense industry.

LEGAL INFORMATION

At Kimpur, we strive to provide you with the highest quality polyurethane systems, backed by our expertise and dedication to innovation. The information provided in this brochure is a reflection of our expertise and knowledge. However, we highly recommend for users to conduct their own thorough assessments and tests to ensure the suitability and optimal performance of our products for their intended applications. While we strive to provide accurate and reliable information, Kimpur does not assume any liability or offer any warranty, whether expressed or implied, regarding the properties, performance, or fitness for a particular purpose of our products. Descriptions, specifications, and other details provided herein are subject to change without prior notice and should not be considered as binding contractual guarantees. As the recipient of our products, our customers assume full responsibility for compliance with all applicable laws, regulations, and intellectual property rights. We highly recommend obtaining comprehensive information on product toxicity, adhering to proper handling procedures, and ensuring compliance with safety and environmental standards. At Kimpur, we value our partnership with you and strive to provide exceptional support. However, it is important to emphasize that the application, use, and processing of our products are ultimately the sole responsibility of the user. Please note that the safety data provided in this brochure is for informational purposes only and does not constitute a legally binding Material Safety Data Sheet (MSDS). To obtain the relevant MSDS, kindly request it from your supplier or contact us directly at uncommonsolutions@kimpur.com. Our team is ready to assist you with any inquiries or specific safety information you may need.
